ADESH CHANDRO SARKER

FRONT-END DEVELOPER

As a dedicated Front-end Developer, my career objective is to leverage my creative and technical skills to craft visually stunning and user-centric websites. I aim to stay at the forefront of design trends, contribute innovative ideas, and collaborate with diverse teams to deliver impactful digital experiences.
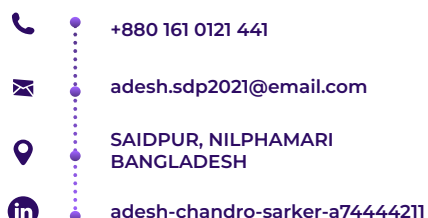

ABOUT ME

Greetings! I am Adesh Chandro Sarker, a professional Front-end web developer with a rich background spanning five years. Proficient in HTML, CSS, Bootstrap, Tailwind CSS, JavaScript, jQuery, PHP, and Laravel, I bring a comprehensive skill set to every project. My commitment to crafting visually appealing and functional websites has been a driving force throughout my career.

My Fiverr profile **https://www.fiverr.com/adeshchandro** showcases my freelance work, highlighting positive client experiences. Explore my diverse portfolio **https://adeshsarker21.github.io/my-portfolio** for a glimpse into my design and development expertise. With a passion for innovation and user-centric solutions, I am eager to contribute my skills to your projects, ensuring they stand out in the digital landscape.
